| 9 | Future Orientations Towards Working and Living . . . . . | 145 |

*Part D: Man – Environment Relations*

Introduction

|  |   |     |
|--|---|-----|
|  | <i>Dieter Frick and Hans-Wolfgang Hoefert . . . . .</i> | 151 |
|--|---|-----|

10. The Use and Design of Open Spaces in Urban Neighbourhoods

|  |                                |     |
|--|--------------------------------|-----|
|  | <i>Amos Rapoport . . . . .</i> | 159 |
|--|--------------------------------|-----|

|   |   |     |
|---|---|-----|
| 1 | Introduction . . . . .                        | 159 |
| 2 | The Conceptual Framework . . . . .            | 159 |
| 3 | Activities and Activity Systems . . . . .     | 160 |
| 4 | Settings and Systems of Settings . . . . .    | 162 |
| 5 | Supportive Environments . . . . .             | 165 |
| 6 | The Neighbourhood as Setting System . . . . . | 167 |
| 7 | An Example: Pedestrian Activities . . . . .   | 169 |
| 8 | Design and Research . . . . .                 | 172 |

11. Aesthetic, Communication and Use: Perspectives for Urban Open Spaces

|  |                                  |     |
|--|----------------------------------|-----|
|  | <i>Thomas Sieverts . . . . .</i> | 177 |
|--|----------------------------------|-----|

12. An Ecological Approach to Urban Environment Perception

|  |                                 |     |
|--|---------------------------------|-----|
|  | <i>Mirilia Bonnes . . . . .</i> | 189 |
|--|---------------------------------|-----|

|   |  |     |
|---|--|-----|
| 1 | Introduction . . . . .   | 189 |
| 2 | Methodological Aspects . . . . .   | 191 |
| 3 | Type one Studies: Perceptions of the Whole Urban Environment . . . . .                                 | 192 |
| 4 | Type two Studies: Perception of the Quality of the Residential Environment in the Sample Area. . . . . | 196 |
| 5 | Type three Studies: Inhabitants' and Temporary Visitors' Cognitive Representation of the City. . . . . | 197 |
| 6 | Conclusions . . . . .  | 201 |

13. Psychological Identity of and Identification With Urban Neighbourhoods

|  |                                    |     |
|--|------------------------------------|-----|
|  | <i>Gerhard Schneider . . . . .</i> | 203 |
|--|------------------------------------|-----|

|   |  |     |
|---|--|-----|
| 1 | Introduction . . . . .   | 203 |
| 2 | Design of the Research Project . . . . .   | 205 |
| 3 | Identity of and Identification with One's Neighbourhood as Reflected in Subjective Presentations . . . . . | 208 |
| 4 | Identity Markers in the Physical Environment . . . . .   | 213 |
| 5 | Identification with the Neighbourhood <i>qua</i> Social Environment . . . . .                              | 214 |
| 6 | Conclusions . . . . .  | 216 |

*Part E: Mental Health*

|  |     |
|--|-----|
| Introduction   |     |
| <i>Heiner Legewie and Peter M. Wiedemann</i>   | 219 |
| 14. New York City's Open Space System. The Process of Evolution  |     |
| <i>Tom Fox</i>   | 229 |
| 15. The Reform of Health and Psychiatric Services in Relation to the Quality of Urban Life. Experiences in the Region of Piedmont and in the City of Turin |     |
| <i>Agostino Pirella</i>  | 241 |
